Dear Examiner Fineman,

I have reviewed this file carefully. My record shows that a response was prepared and timely filed on 5/20/2003. It was filed with a certificate of mailing in accordance with 37 CFR 1.8 and I believe it to be responsive and in proper order.

I have not received from you any notice of defect, deficiency or indication of non-responsiveness. The file does not reflect that either. Thus, I now assume the office never received the response.

In agreement with 37 CFR 1.8(b), I have now prepared a Notice of Mailing and transmit it herewith. I will send this Notice of Mailing by formal correspondence today. Please receive an advance copy of it by fax here following this letter.

If I can be of any further assistance, please let me know and I shall give the matter my immediate attention.

Sincerely,

Joseph Page
